This option is NOT a hobby kit, this is a serious start up business. With the equipment included in this set up one could expect to achieve 100's of prints per day in multi-colour. The carousel is robust and easy to use. To match the production, a good curing tunnel is required, and the 1706 table top model offers efficiency to match, at an affordable price.

This is one of the most affordable business opportunities you will consider!

ALL PRICING EXCLUDES V.A.T. AND IS SUBJECT TO THE PURCHASE OF THE FULL BUNDLE
